The diagram illustrates a linked list structure for supplier evaluation. It consists of a header box labeled "END" and a table of four rows. Each row contains a "RANKING" field, a "SUPPLIER NAME" field, and a "TOTAL EVALUATION SCORE" field. The "SUPPLIER NAME" field for each row is enclosed in a rounded rectangle. A wavy line connects the bottom of the fourth row's "SUPPLIER NAME" field to the top of the header box. A curly brace on the left side groups the first three rows. Another curly brace on the right side groups the last three rows.
